

September Concert Banner Guidelines

Why do I need a September Concert banner?

In order for your audience to be able to recognize your concert as an official September Concert we like to ask you to produce a September Concert banner. The banner can be any size, but we hope you will make it appropriate to the size of your venue. You can find our logo in the tool kit. Should you require a file of higher resolution please send us an email and we will be able to further assist you with that (info@septemberconcert.org).

Can I customize my banner?

Yes, absolutely! If you like to add the name of your own company/organization on your September Concert banner please do so. We would like to ask you to follow the format below:

‘Your name here’
presents
(The September Concert logo)
(see image below)

Sister Cities September Concert Banners

If you would like to order a banner that also has the Sister Cities logo on it, we would like to refer you to AAA Banner in L.A., Yvonne Pangramuyer – tel: 310-836 3341, ext. 192 <http://www.aaafalg.com/>.

Of course you are also free to find yourself a local printer that can take care of your banner needs.
